

Dear Potential Sponsor,

Thank you for your interest in sponsoring AYSO Region 1603- Baker/Crestview.

The American Youth Soccer Organization (AYSO) is a non-profit organization that was founded in 1964 to promote fitness, good sportsmanship, and self-esteem in kids through their participation in soccer. The AYSO motto is "Everyone Plays". That means everyone who registers is assigned to a team and plays at least half of every game. There are no benchwarmers in AYSO.

AYSO is divided into Sections, Areas, and Regions, and while all of these organizations are part of the National AYSO, each region operates independently and depends on local support and participation to maintain programs and grow. Our AYSO Region 1603 is operated completely by volunteers and we receive no financial support from any other region or the National governing board. While coaches, referees, and board members in the AYSO Region 1603 program are unpaid volunteers, player registration fees do not cover all expenses. We keep those fees as low as possible so more kids can play and therefore we rely on the generosity of local sponsors (like you) to help make that possible.

As an AYSO Region 1603 sponsor, you will be helping us provide quality soccer programs to kids in the community. Your tax-deductible support helps off-set the cost of uniforms, equipment, field maintenance, coach and referee training, and player awards. In addition, your company will be recognized as a community leader through its involvement in one of the premier youth soccer organizations around the soccer world. More importantly is the knowledge that you are helping our children develop in both body and character.

Thank you for your support of this great program!
